

URANTIA ASSOCIATION INTERNATIONAL

APPLICATION FOR MEMBERSHIP

UAI welcomes members from all races, cultures, nations, and religions. There are four categories of membership in UAI: full member and associate member in areas where there is a local or national association; member-at-large and associate member-at-large where a local or national association does not yet exist. A reader of *The Urantia Book* who wants to serve will join UAI through a local or national association in their area if one exists or through the Central Office if there is no local or national association. By joining a local association, the applicant automatically becomes a member of the national and international organization.

Membership Process:

1. Complete application and submit to your local or national association or to the UAI Central Office.
2. A representative of the local or national association will contact you to verify the information on this application.
3. The Governing Board of the local or national association will vote on the application.
4. If accepted, pay any applicable membership dues required by the local or national association.
5. Your membership is complete. Welcome to UAI!
